

Big Mesh Backing

Description Big Mesh Backing is a perforated PVC banner material designed for outdoor use where graphics are required on building or site wraps or in areas exposed to strong winds.

Features Big Mesh Backing has a special gloss surface designed to exhibit excellent ink adherence and produce sharp, crisp images. It has excellent dimensional stability and excellent price-performance ratio. The backing allows for printing on solvent equipment that does not have an ink tray for disposal of waste ink.

Specifications

- PVC banner mesh
- Gloss Face Finish
- 350gsm
- Excellent printability
- Fungus resistant
- Suitable for most Eco Solvent/Solvent Printers

Applications

- Banners
- Site wraps
- Scaffold advertising
- Building wraps
- Indoor privacy screening
- Exhibition and displays

Use and Storage Optimum conditions for use and storage are 35% to 65% relative humidity and 10-30°C. It is recommended that you store the product in the original packaging (cardboard box and PE bag) when not in use. It is recommended that cotton gloves be used when handling Inkjet media to avoid surface contamination.
